Skin Restore

A general purpose moisturizer to help maintain skin elasticity for more youthful-looking skin. Our **Skin Restore** is the finest skin cream available. It adds luster and tone to the skin, is non-greasy, and rapidly penetrates. Skin Restore contains MSM (organic Sulphur) and hemp oil which nurture and rejuvenate skin tissue. Benefits reported from using **Skin Restore** are softer, and more pliable skin, a lessening of lines around the eyes and elsewhere on the face, quicker healing of minor burns, removal of unwanted scars, and less carpal tunnel pain (because of the Sulphur and minerals that it contains). **Skin Restore** is also a great after sun care product, helping to cool down a sunburn and refresh dry and sunbaked skin. It may be used on any part of the body.

Ingredients: MSM, Usnea, Calendula, Vitamins E, A & D, Aloe vera, Citracidal, Hemp oil, Apricot kernel oil, Sweet almond oil, Melaleuca oil, Fatty acid esters (as an emulsifier), Vegetable glycerin, De-ionized water. Scented with essential oils of Sweet orange and Ylang Ylang.

8 oz lotion bottle
