**Ingredients:** Amino acids, antioxidants, flavonoids, herbs, and herbal extracts, spices, minerals,

enzymes, whole food and concentrated herbal extracts, nutrients, and vitamins.

Each ingredient has been carefully selected for its clinically proven abilities. This formula supports healthy weight loss by enhancing metabolic rate, curbing appetite, and by providing natural energy. Golden Lite can be used by itself as a weight loss aid or as an addition to any weight management program. Excess weight is a predisposing factor for Type 2 diabetes, **Golden Lite** was formulated to support weight loss and to improve glucose tolerance in the management of pre-diabetic conditions. Its antioxidant ingredients help balance blood glucose levels and maintain healthier levels of insulin while supporting the repair and reversal of oxidative stress brought about by obesity. Lowering cholesterol and triglycerides enables the slower release of carbohydrates, digestive factors, metabolizing agents, fiber, prebiotics, and thermogenic (fat burning factors).

**Golden Lite capsules** contain **Garcinia Cambogia** for weight management, insulin regulation, and blood sugar control, a **prebiotic FOS** (fructooligosaccharides) blend to promote friendly bacteria and to assist with glucose intolerance and blood cholesterol issues, **Chicory** for numerous health benefits including better nutritional absorption, **Mesquite** to balance blood sugar absorption, **Burdock root** and **Yucca** for blood purification and fluid balancing, **Green Papaya** and **Stabilized Rice Bran** to aid with digestion, food metabolism, and nutrient assimilation, **Magnesium Gluconate** which is a co-factor that is involved in over 300 body processes and helps regulate blood sugar and pressure, a **Vitamin C bioflavinoid blend** which helps fortify the circulatory system, **Acerola** which is a rich source of Vitamin C, **Grape Seed extract** for lessening inflammation and allergies, **Hawthorn** for strengthening the heart muscles and to regulate blood pressure, **Citrus Bioflavonoids** to enhance potent Vitamin C sources, **Essence of Sea Plants** mix for improving the immune system and for alkalizing the blood, **Alfalfa Grass Juice extract** which contains a high amount of chlorophyll, minerals, and vitamins, **Chromium Picolinate** which is an essential micronutrient for carbohydrate metabolism, **Utah minerals** which are mineral co-factors rich in trace minerals from ancient Utah salt beds, **Siberian Eleuthro** which provides stamina and energy, normalizes and balances blood pressure and other body functions, **Rhodiola** for reducing fatigue and maintaining energy levels, **Maca** for energy and libido enhancement, **Green Tea extract** which is one of the world's most powerful antioxidants and helps promote healing, **Cinnamon** for blood sugar balance, **Ginger** to assist with blood circulation, **Long Pepper** which increases the bioavailability of foods, **Bitters** to stimulate the digestive system, **Bitter Melon extract** to lower blood glucose levels and LDL cholesterol, **Banaba extract** to also assist with lowering blood sugar, **Turmeric extract** for liver protection, blood purification, and as a digestive aid, **Alpha Lipoic acid** to address most diabetic symptoms, and **Juniper** to help balance stomach acids.
